This newsletter will contain a monthly calendar as posted in the Administrative offices. Each patron in the district, whether they have children in school or not will receive this newsletter.
2. A "Friday Bulletin" will be hand-carried home by students to each home on Friday. The weekly menu for the following week will be printed. Any changes in athletic contest times or sites, departure times for activity buses and any current issues will be contained in this bulletin. This bulletin will be the main school-parent newsletter, and it will be important for parents to help assure that they get home with the students.

As a result the only excuse that will be accepted is one for illness, death in the immediate family, bad roads in stormy weather, (country students only) or an absence previously honored by the Principal.

Excused and unexcused absences will be permitted to be made up by the student. In the case of an unexcused absence, fifty (50) minutes of detention time will be given for every class the student missed up to but not to exceed five (5) hours. The Principal will decide if an absence is excused or unexcused.

NOTE: We are asking the parents to be as honest and cordial as possible in dealing with the administration pertaining to absences. If you have any questions as to the validity of your child's absence, please contact either the Principal or Superintendent. We will try in every way to work with you to find a solution if or when your child needs to be absent from school. Feel free to talk with us at any time. **Please call the office or leave a voice mail by 8:00 a.m. if your child will be absent that day. Reporting and Responding to Truant Behavior

Any administrator, teacher, or member of the board of education who knows of any failure on the part of any child of mandatory school attendance age to attend school regularly without lawful reason, shall within three days report such violation to the superintendent. The superintendent shall also investigate any case when of his or her personal knowledge, or by report or complaint from any resident of the district. the superintendent believes that any child is unlawfully absent from school. The school shall render all services in its power to compel such child to attend some public, private, denominational, or parochial school, which the person having control of the child shall designate, in an attempt to address the problem of excessive absenteeism. Such services shall include, as appropriate, the services listed under the "Excessive Absenteeism" and "Reporting Excessive Absenteeism" policies.

Excessive Absenteeism

Students who accumulate five (5) unexcused absences in a quarter shall be deemed to have "excessive absences." When a student has excessive absences, the following procedures shall be implemented:

- a. One or more meetings shall be held between a school attendance officer, school social worker, or the school principal or a member of the school administrative staff designated by the school administration, if the school does not have a school social worker, the child's parent or guardian and the child, if necessary, to report and to attempt to solve the excessive absenteeism problem. Reporting Excessive Absenteeism to the County Attorney

If the child is absent more than twenty days per year or the hourly equivalent, the attendance officer shall file a report with the county attorney of the county in which the person violating the compulsory attendance laws (ie., the child, the child's parent, or the person who has legal or active charge or control of the child) resides.

The Superintendent or designee shall report on a monthly basis to the Commissioner of Education as directed by the Commissioner regarding the number of and reason for any long-term suspension, expulsion, or excessive absenteeism of a student; referral of a student to the office of the county attorney for excessive absenteeism or contacting of law enforcement officials (other than law enforcement officials employed by or contracted with by the District as school resource officers) by the District relative to a student enrolled in the District.

Make-up slips:

A student who has missed school because of illness does not need to receive a make up slip. We will be made aware of the absence by receiving a telephone call from a parent or by calling a parent if not notified. It is the responsibility of the student, not the teacher, to get the assigned make up work completed and handed in. The teacher will work with the student to determine when make up work is due.

Excused Absence Known In Advance:

Students may be asked to bring an excuse from their parents to give to the Principal. All class work must be made up before the student leaves the school.

Students who become ill at school must check out at the school office. Students leaving school for any other acceptable reason must be cleared in advance by a telephone call from the parents and check out at the school office.

At the end of the quarter or semester if a student has an Incomplete grade he/she should be given a period of ten (10) school days in which to complete their work. If not completed in this time, the student will receive a failing grade for the work not completed. If a student is absent on the day of a quiz or test, the student shall make up the test the day they return to school, if the student has been notified in advance of the test or quiz.

Students will be allowed two days to make-up work for everyday of excused absence.

Tardies to Class:

If a student is tardy (not arriving to school and being in designated areas when the class bell rings) first period, that student shall be sent to the Principal's office. Students will be allowed three (3) tardies per semester. After the third tardy, he/she will be assigned 15 minutes of detention for each tardy.

Tardies to class (periods 2,3,4,5,6,7,8) will only be excused by the student's preceding teachers if the student has been detained. If a student or students are going to be late to his/her next class, a pass should be obtained before leaving the classroom. For unexcused class tardies, the classroom teacher will determine what type of action will be taken.

The pupil class load shall be the regular prescribed courses in the elementary grades, and in high school (9-12) a minimum of 60 semester hours per year is required unless special permission is given by the administration. The regular course load should be at least 6 subjects per day (in grades 9-12).

Students who have completed the 210 hours of credit specified by the Board of Education and have attended eight (8) semesters in grades 9-12 but lack sufficient credits may receive a certificate of attendance. No provisions have been made for early graduation after attaining the minimum number of credit hours.

The Board of Education does reserve the right though, to consider a student for early graduation if a special situation warrants such action. NOTE: To be eligible for valedictorian or salutatorian of the senior class, a student must be in attendance two or more years within the Sterling High School. Graduation robes will be maroon, gold, or white.

To be eligible for graduation from high school, a student must have completed 210 credit hours. Of the 210 hours required for graduation, 180 hours of the following classes must be successfully completed:

SUBJECT	CREDIT HOURS
Language Arts	40
Social Studies	40
Science	30
Math	30
Computer Literacy	10

Fine Arts (Art, Music)	10
Health and Physical Education	10
	170 hours
Electives (Shop, Business, Dr. Ed etc..)	50

Seniors must have completed all graduation requirements (i.e. Completed the required coursework or achieved the goals set in the student's individual education plan) in order to participate in the commencement exercises. All requirements must be met before graduation ceremonies. Students not meeting graduation requirements before graduation, and upon completion of summer school may receive their high school diploma. A Certificate of Attendance may be awarded to those individuals that do not meet graduation requirements; however they will not be permitted to participate in the graduation ceremonies.

Students with Special Needs - individual educational plans will be provided for those students who have a special need for a course commensurate with their abilities. Such programs shall provide for those with limited abilities as well as those with exceptional abilities. The professional staff will plan individual courses for students with special needs and will recommend the number of credits to be awarded, which are to be approved by the administration.

Forfeiture of Credit:

A student who, for any reason, is absent nine (9) times from a semester course will forfeit credit for the course unless there are chronic health conditions or special arrangements involved. A physician's statement will determine the validity of each absence for illness over the maximum allowed. A student will be given the opportunity to make up the time without loss of credit by spending fifty minutes after school for each class missed over the limit.

Any student determined to be habitual truant (18 days per year) will be reported to the county attorney by state law. (NE Code - Section 6 -79-209)

Grading System:

The following grading system will be used for reporting progress to parents in all subjects.

4.0	A	93.5-100	3.5	B+	88.5-93.4
3.0	B	85.5-88.4	2.5	C+	80.5-85.4
2.0	C	77.5-80.4	1.5	D+	72.5-77.4
1.0	D	69.5-72.4	0.0	F	0-69.4

Drivers Education and Teachers Aide will be given credit on a Pass/Fail basis.

Physical Education, Music, Drivers Education, and Teachers Aide are not included on the Honor Roll.

A grade of "I" will be recorded for work incomplete at the end of the quarter. If the incomplete work is not made up within ten (10) school days following the end of the quarter, a grade of zero will be recorded. Exceptions will be considered by the Principal.

Semester grades are derived from a combination of the two 9-week grades plus the semester exam, or equivalent. Semester grades are the only grades appearing on the permanent records and are recorded in percentage.

Questions about grades should be referred to the teacher responsible for giving the grade. Appeals will be handled by both student and teacher through the Principal.

WARNING: A student who, for any reason, is absent 6 (six) times from a semester course will be given a verbal warning that there has been excessive absence. A letter will be mailed to parents notifying them of excessive absence and the policy concerning excessive absence.

Failure of a Required Course:

Any student in grades 9-12 who fails a required course, will take the class over. If there is a conflict in scheduling, or at the discretion of the administration, the student may acquire credits for the failed class from another source outside the classroom. These sources could be a correspondence class, night school, or summer school. The administration will work with the students and their parent(s) to resolve this problem.

Permanent Records:

A file of student permanent records is kept in the school office. The file contains grades, personal information, enrollment information, health records, test results, vocational plans, etc. The following people have access to the information contained within a student's files: the student; the student's parents or guardians; teachers; the counselor; administrators; probation or parole officers; colleges; and other schools upon written requests for transcripts; and the court, should it subpoena such records.

Reporting Periods:

Report cards will be distributed to the students and parents four (4) times per year. These REPORTS TO PARENTS will usually be available during the week following the end of any quarter grading period.

The school will also mail weekly progress reports to parents of students who are not doing satisfactory work, or are in danger of receiving failing grades for that quarter. All teachers will send mid-quarter reports to parents of students in each class.

Honor Roll:

Students receiving an over-all average of 90% or better, with no grade below an 86%, will be listed on the honor roll. The honor roll will be published at the end of each nine-week grading period. A semester honor roll will also be published at the end of each semester.

Academic Status:

Through out each semester and after the 3rd week of every nine-week period, parents will be notified of students doing work which the teacher feels is below their capabilities. Students in grades 7-12 failing two or more classes after the third week of the quarter will not be eligible to participate in any activities involving other schools until their grades are at a passing level. Ineligible week is from the Tuesday following distribution of the academic status report through the following Monday. The student will be expected to improve the grade before report cards are received. The eligibility

rule states that a student may not be failing the same class two consecutive weeks. The idea behind this approach is that a student will not continue to fail the same class week after week.

A list of the students receiving “down slips” will be made available to each teacher. The counselor will compile a weekly academic status list to determine student activity eligibility (see activity handbook). Junior High students not out for the activity, are to remain in class and not attend the activity (home or away) without sponsor and administrative approval.

Students who are ineligible will not be able to use computers for “leisure” purposes. They must have a pass from the teacher to use a computer for school work only.

Middle School Activities Policy:

Secondary students are not to be dismissed to watch any home Junior High activity without prior approval of the administration. Any student failing a class will not be allowed to attend any Junior High activity (home or away). This will be determined by the weekly academic status report.

Field Trips:

No 6-12 students will be able to attend a class field trip if ineligible or failing the class which is sponsoring the field trip or activity. The student will be required to do a project, paper, etc. assigned at the discretion of the teacher involved to replace missing the field trip.

If any trip or field trip is scheduled during the three week free period of each semester, the student must be passing the class in which the field trip or trip is for. In SkillsUSA, the student must be passing a Computer or Personal Finance class if not in a Industrial Technology class

College Visitation:

College Visitation - Each junior and senior will be allowed accumulative of three opportunities to visit the college(s) of his/her choice. More than three visits may be obtained with the permission of the Principal and Guidance Counselor. Granting of permission for college visitation(s) will be dependent upon the recommendation of the guidance counselor with Principal approval. Student must fill out college visit/compass test form, which may be obtained from the Guidance Counselor before he/she will be given permission to go on the visit/take test.

Senior Dismissal:

The seniors last day of school will be determined each year by the administration.

SCHOOL SERVICES

School Lunch:

The hot lunch program is a federally-subsidized, non-profit entity. The meals are served in the lunchroom. Weekly menus are published in each Friday bulletin as well as being posted on each floor of the school building.

The closed campus will continue in effect for all students. A closed campus means that all students will remain on the school grounds during the school day, which is from 8:10 a.m. to 3:38 p.m. Students may bring their own lunch.

The gymnasium may be used by the students under supervision. Students should not remain in the classrooms unless under the direct supervision of a teacher.

Sterling Public School complies with the policy for free and reduced price meals under the National School Lunch and Special Milk Programs. Applications may be obtained at the school office during the school year.

A computerized accounting system is being used. Customized statements will be handed to the youngest child in each family on or about the last Friday of each month, August thru April, and then a final statement approximately ten days before the end of the school year in May. Notices will be in the weekly bulletins on the Friday on which statements are being sent home.

All money received is entered into a family account. For those students in kindergarten thru grade four, whose parents indicate they want their child to participate in the afternoon milk lunch program, the price of a milk ticket/tickets will be deducted from the family account and a milk ticket will be hand written. All expired tickets are kept on file if any questions should occur.

Prices of lunches for the 2010-2011 school year will be as follows:

Grades K-5 – 2.00 per day 6-12 - 2.25 per day Adults - 3.00 per day

Extra milk will be .30 cents per carton. Students wishing to participate in the Milk Lunch Program must purchase a milk ticket for \$6.00 per month. Adult milk will be .40 cents per carton.

If you are interested in free or reduced lunches, please complete the forms attached to the August school newsletter and return to the school office as soon as possible. Please help your fellow students by:

- Leaving tables, chairs, and floor in a neat condition.
- Returning all trays, silver ware, dishes, to the dish washing room.
- Placing milk cartons, napkins, etc., in the trash can provided.
- Not removing food or drink from the lunch room.

NOTE: Students may lose the privilege of eating lunch by misbehaving or throwing food during lunch time.

School Breakfast:

School Breakfast Program is offered.

Transportation:

Bus transportation is provided in school District owned buses. A sub schedule has been established and bus drivers have been instructed not to wait more than two (2) minutes for the riders. The transportation is a service provided for you to enjoy as long as your conduct is proper. Any student who presents a continual problem on the school bus or disregards bus rules may be required to provide other transportation to school.

Inclement Weather:

In inclement weather buses will run only on established emergency routes or not at all.

Bus Rules:

1. All riders are to remain seated while the bus is in motion
2. No vulgar language or profanity is to be used.
3. Refrain from loud conversation

5. Do not lean out of, or hold hands and arms out of bus windows
6. Do not throw papers or other trash on the floor of the bus
7. The bus driver is in charge!! Obey him/her at all times.

**RIDING THE BUS IS A PRIVILEGE WHICH CAN BE REVOKED
IF REPEATED VIOLATIONS OF THE RULES OCCUR.**

Library:

The school library will be open each day from 8:05 a.m. to 3:55 p.m. Students wishing to use the school library must obtain a library pass from either their classroom teacher or their study hall supervisor. No one will be admitted to the library without a pass.

Occasionally the library will be closed for special class sessions. A notice will be posted in advance so students will have a chance to get the material which they need.

The library facility provides a wide variety of materials in all subject areas. An effort is made to provide up-to-date standard references, as well as specialized materials.

In some respects the resource centers are specialized libraries in specific fields. Specialized library materials are available for temporary use in the resource centers. All materials needed outside the library must be checked out at the desk. Reserve books and/or magazines and audio-visual materials are available upon request at the desk.

Newspapers and current magazines are not to be checked out of the library.

The library provides a place for individuals to study without interruption. Visiting, loitering, and studying together will not be permitted in the library. Student wishing to retain their library privileges will be expected to observe proper rules and library procedures. The following rules will regulate the use of the library:

1. All books checked out are due in two weeks from the check-out date
2. Return all books to the book deposit. Do not return the books to the shelves yourself.
3. Due date will be stamped on the book as you check it out.
4. No reference books will be taken from the library. This includes encyclopedias, dictionaries, almanacs, etc.

The reserve books, vertical file materials, and magazines from Magafiles are due by 9:40 a.m. the following school day after they have been checked out.

Guidance:

Guidance services are available for every student in school. These services are intended to aid in development of individual programs best suited to potential and

capabilities, as well as discussions of problems of any kind. Teachers will issue passes to see the Guidance Counselor during his office hours.

The Guidance Department was organized for the purpose of helping each student to adjust to his/her present learning environment, to enjoy all educational opportunities that meet his/her interests and learning capabilities, and to aid the student in becoming self-directed.

The Guidance Counselor, with the cooperation of all other faculty members, carries on the work of this department. Any student may contact the counselor for aid or advice in whatever problem he/she may face. Any faculty member may refer a student to the guidance department for necessary aid and advice.

How to See Your Counselor:

If a student is seeking help from the school counselor, an appointment should be made with the counselor for the necessary meeting. Most meetings with the counselor should be made or scheduled during a study hall period if possible. Before school and after school are also good times for interviews with the guidance personnel.

Each year the guidance department will be giving different batteries of tests to the various classes in order to measure interest, achievement, aptitude and academic potential. The test results are used to help each individual student analyze his/her own potential and to help plan the progress of studies best suited to each student. These test results will become a part of the student's permanent record and will be available to the parents and the student for consultation purposes. The dates for these tests will be announced to those students who will take the test.

SCHOOL ACTIVITIES

Activity Fund:

The Sterling School Activity Fund has been established by the Board of Education for the purpose of providing an efficient system for handling of the funds of high school classes and organizations.

Any school supervised group that deals with money through dues or other activities must deposit their money in, and withdraw it by check from, the Activity Fund.

The school secretary will receive deposits, and issue requests for withdrawals of funds by student treasurers or faculty advisors. Checks will then be issued by the Superintendent for payment of bills.

All monies deposited in the Activity Fund become Board of Education funds and may be spent only in accordance with policies established by school officials responsible for the administration of the funds.

Class Dues:

Students in Sterling High School may be assessed class dues. The amount is determined by the financial demands of the grade involved. The class dues are established by the students themselves and the class sponsor assists in collecting the money which is deposited in the Activity Fund maintained in the superintendent's office. Each member of the class is responsible for cleaning up after a class sponsored event. Any class member not present for cleanup will pay a fine of \$5.00.

Funds are used for financing of various class functions such as: social events, banquet and prom, graduation caps and gown, memorials or gifts in cases of sickness or death.

Club or Organization Dues:

In some instances various clubs may have yearly dues of fees to provide the organization with a certain amount of revenue to carry on its activities.

Extra-Curricular Activities:

Regulations for participation in athletics, play, speech, cheerleading, and musical programs, will be drawn up by the faculty sponsor and the administration. All students shall be able to join or belong to all activities if he/she can meet the membership requirements.

Membership to the organizations shall be on a voluntary basis and members may withdraw. If a member withdraws or is dismissed from an organization or activity, the Principal should be notified immediately.

School activities include dances, banquets, parties, etc. All school sponsored functions must have at least one faculty sponsor present.

All activities must be scheduled on the master calendar at least ten (10) days in advance. Permission to schedule the activity must be obtained from the Principal.

A student is to be in attendance at school the day of an activity, field trip or academic contest. If for any reason the student is not at school before 12:00 p.m. (noon) the day of an activity, he/she will not be allowed to participate in that activity. The student may participate if the absence is excused by the Principal prior to the absence.

Activity Bus:

Coaches/Sponsors will make the decisions on students riding the bus to and from the game/activity. A note from their parent/guardian will be required. Coaches/Sponsors decision is final.

STUDENTS SHALL NOT BE ALLOWED TO LEAVE THE SCHOOL BUILDING DURING A SOCIAL ACTIVITY. ANY STUDENT LEAVING THE BUILDING DURING A SOCIAL ACTIVITY, WITHOUT SPONSOR PERMISSION, SHALL NOT BE ALLOWED TO RE-ENTER.

The following organizations will sponsor the following functions:

STUCO/S-Club/Committee	Homecoming	Fall
Honor Society	Awards Night	Spring
Junior Class	Prom	Spring

Dances

PROM - Only students 9th grade and up, from any school, will be allowed to attend.
HOMECOMING - 7th and 8th graders can only attend with a 9th through 12th date, from our school.

Church Night:

Ordinarily, there is to be absolutely NO scheduling of school activities on Wednesday evening. This allows the student to participate in the youth activity program in the church of his/her choice. Wednesday evening is commonly referred to as "church night". Students must be out of the building by 6:30 p.m. on "Church Night". Any deviation from the established procedure which is outlined above must be cleared through the Superintendent's office.

Any Sunday practices must be approved by the Superintendent.

Physicals - Insurance:

Any student in grades 7-12 participating in school sponsored athletic programs and cheerleading must have a physical examination from a physician indicating he/she is fit to participate. Physicals taken on or after May 1, will be acceptable for the following school year activities. The forms are available from the school office and local doctors' offices.

No student in grades 7-12 will be allowed to participate in school sponsored athletic programs without proof of insurance. This may be a home or family plan or such insurance made available by the school district. Football insurance may also be acquired by obtaining forms from the office to be sent in directly to the company.

Assemblies:

At Sterling High School, assemblies will be held from time to time. These assemblies are both educational, entertaining, and provided for an additional learning experience. All students and faculty will attend every assembly. Students will sit by class, sponsors present with the group. Any disorderly conduct will be treated as forfeiture of attendance. Further action is left to the discretion of the Principal.

Activity Slips:

Coaches and sponsor's are responsible for handing out activity slips to the appropriate students, if necessary. Activity slips must be turned in to the coach or sponsor before leaving for the activity. Anyone not turning in a activity slip will not be allowed to go on the activity.

Student Track Policy

Students are allowed nine days each semester to be used for sickness, dentist or doctor appointments which cannot be scheduled after school or on Saturday (including funerals). They are NOT to be used as nine free days to take off and do as students wish. Once in a while we have a student who may abuse these days and then really gets sick for 2-3 days and goes over the nine day limit. The student must then make up any time missed over the nine day limit to assure he/she does not lose any credits.

It is our belief that if a student wants to miss a full day of school to attend a track meet, he/she should be on the track squad. Many times students feel that if they have four of their nine days left, they should be able to use these days to attend track meets. This was not the intent of the nine day policy.

Our policy is that anyone not on the boys/girls track team will not be allowed to miss school to attend a track meet. There will be two exceptions. One exception is when a parent may want to take his/her child to a meet to watch another sibling

participate. In this case, the student may go only if the parent picks up the student and takes him/her to the track meet. Please do not send a note saying they may drive and meet a parent at the meet or ride with anyone else including another parent. The other exception involves the district track meet. For this meet only, students will be allowed to attend with a note or a phone call to the principal and may ride with anyone they want to the meet. Any student that is failing two or more classes, will not be excused to attend the district track meet. Any student checking out of school on the day of a track meet and seen at the meet even after school has been dismissed will be counted as unexcused and will make up the time missed from school.

Title IX, Title VI, Section 504:

The Sterling Public School District does not discriminate on the basis of race, color, national origin, gender, marital status, disability, or age in admission or access to, or treatment of employment, in its programs and activities. The following person(s) has/have been designated to handle inquiries regarding complaints, grievance procedures or the application of these policies of nondiscrimination: Gale McDonald, Superintendent, 250 Main, Sterling, NE 68443 - 402-866-4761.

Use of any information obtained via the Internet is at the user's own risk. The District specifically denies any responsibility for the accuracy or quality of information obtained through its services.

Indemnification

The user agrees to indemnify the School District for any losses, costs, or damages, including reasonable attorney fees, incurred by the District relating to, or arising out of, any violation of these procedures.

INTERNET AND E-MAIL ACCESS PERMISSION LETTER TO PARENTS

Dear Parent/Guardian:

The Sterling School District wishes to offer your child limited access to the Internet and an electronic mail (e-mail) account. The Internet is a collection of thousands of interconnected computer networks. The vast amount of information contained within the Internet's libraries can provide valuable learning opportunities to students.

Establishing an e-mail address will allow your child to participate in distance learning activities, communicate with other students around the world, ask questions of and consult with experts, and locate specific material to meet the needs of educational projects.

If your child is a minor (under age 18), your authorization is needed before your child may use these resources. The attached regulations for student use of computers, technology and the Internet should be read carefully and understood by all Internet users. As parents/guardians, you should review it in detail with your children before they begin using the Internet and e-mail in their classroom.

A filtering system is in place to prevent access to certain unacceptable sites on the Internet. However, it is important to understand that no solution is perfect and we cannot guarantee that students will only have access to educational materials. Ultimately, parents/guardians are responsible for setting and conveying the standards that their child should follow. To that end, the School District supports and respects each family's right to decide whether or not to authorize Internet and e-mail access.

If you agree to allow your child to have Internet access and an e-mail address, sign the Acceptable Use Agreement and return it to your school.

Sincerely,

Larry Harnisch
Sterling Superintendent of Schools

HARASSMENT POLICY

Student Policy #5108 A

No one will be victim of unwelcome, unwanted, or uninvited words or actions that offend, hurt or humiliate people. Such behavior will be termed as harassment and will result in disciplinary action, including but not limited to, a verbal/written reprimand, required counseling, detention time, suspension, or possible expulsion. Sexual assault, attempted sexual assault, sexual harassment or harassment because of race, religion or handicapping condition will be considered conduct encompassed by this particular rule. Harassment is defined as a comment, act, or gesture toward another individual or in the presence of others that belittles or degrades someone or a group of people because of their sex, race, religion or beliefs, handicapping condition, or economic and/or social background. Behavior that would normally be considered derogatory in nature and beyond the commonly accepted standards of the school district or that which is offensive to another individual or group of people is considered harassment. Procedure for reporting harassment:

Step 1: Communicate to the harasser that you expect the behavior to stop. Do so verbally or in writing. If this is too difficult to do alone, seek help from a teacher, counselor, or an adult you trust.

Step 2: If the behavior is repeated, do all the of the following:

- Tell a teacher, counselor, or principal
- Document exactly what happened and keep a copy for yourself and give on to the teacher, counselor, or principal.

FORMS CAN BE FOUND IN THE STUDENTS HANDBOOK OR THE PRINCIPAL'S OFFICE.

Upon further investigation, the following consequences will occur:

First Offense: School counseling by Guidance Counselor and possible short term 1-5 day in-school suspension.

Second Offense: 1-5 day out-of-school suspension and conference with one or both parents before student will be readmitted in to school.

Third Offense: 10 day out-of-school suspension and conference with one or both parents before student will be readmitted into school.

Fourth Offense: Expulsion

Parents will be notified at each step.

Student Fees Guidelines:
