

Superintendent's Notes *by Mike Davis*

Jacob Davenport our New Business Teacher.

Mr. Davenport was born and raised on a small farm outside Sargent, NE. He loves Nebraska and the small town atmosphere. He enjoys most outdoor activities including hunting, camping, hiking, kayaking, bike rides, and all sports. He is a hobbyist woodworker and enjoys making furniture and smaller projects in his shop (garage).

Jacob attended the University of Nebraska at Kearney and graduated in May 2013 with a degree in Business Education. He was an active member of the Loper track team, which allowed him to meet the future Mrs. Davenport, Shiloh. While attending college at UNK, he joined the Army National Guard. He has met many great people in the three years in the National Guard and is attached to the 1195th out of York, NE. Mr. Davenport just graduated from Southeast Community College in Milford with a degree in Building Construction Technology and is anxious to get back into education.

Shiloh and Jacob were married in March of this year and he says that they could not be happier. They currently live in Milford, NE with their Dachshund mix, Bruiser, but plan on relocating closer to Sterling in the near future. He is excited to become a Sterling Jet and looks forward to meeting everyone in the near future.

Summer Academic Camps Cancelled.

The results of the surveys are in and the decision is to not hold these academic camps this summer. The grant money was to be used for students who need extra help in the areas of math and/or reading. The majority of the students in the camp had to be those who need this extra instruction.

Mrs. Parde and Mr. Knippelmeyer attend NASBO.

On April 16th and 17th, Stephanie Parde and Ryan Knippelmeyer attended the Nebraska Association of School Business Officials (NASBO) conference at the Cornhusker Hotel in Lincoln. Their keynote speaker was Jan McInnis and her talk was "Finding the Funny in Change". She gave practical tips on how to diffuse tension instantly and learning how to handle change and even embrace it.

Mrs. Clark is Moving to Kearney.

Mrs. Clark will not be coming back to Sterling next year as her husband received a promotion with the University of Nebraska.

Wellness Team Attended the 1st Ever S.W.E.A.T. Conference.

The Sterling Wellness Team of Harold Richardson, Sandy Weyers, TammyLee Fatino, Stan Karr, and Mike Davis attended the Student Wellness Education And Training conference on April 14th. The conference was held at the Cornhusker Hotel with Rex Burkhead as the featured speaker. Rex reported that when he was in the 4th grade he was having a hard time focusing and learning in school. The cause was not eating breakfast and not eating healthy foods the rest of the day. He reminded the audience that you are what you eat.

Harold Richardson, chairman of the Sterling Health and Wellness Committee, visited with Rex Burkhead at the conference.

Superintendent's Notes cont.

All Sterling Public Schools' Educators Attend NETA.

On April 23rd, our teachers attended the Nebraska Educational Technology Association (NETA) conference at the Century Link in Omaha. Sterling was recognized at the conference as one of the schools that had all of their teachers in attendance. This was the first year for this conference to be held at the Century Link in Omaha.

Adam Bellow was the keynote speaker with his presentation entitled "A Funny Thing Happened on the Way to the Future". We live and teach in a remarkable time, but it is not without problems. This session looked back at the past, present, and future of education with a lens on technology's role on how we can help to bring education forward. It was quick paced and filled with humor and engaging videos.

Our teachers attended at least four out of the six sessions and discussed these sessions in a debriefing on Friday, April 24th of what they learned and what they are planning to do next school year to incorporate more technology into their classes.

FFA Attends State Convention and Place 6th in Meats Contest.

The Pinnacle Bank Arena was the site for the 87th State Convention for the oldest and largest Career Student Organization in Nebraska. Nebraska FFA set an all time record in 2014-2015 with 157 Chapters and 7,100 members! Sterling was the 150th chapter last year. Over 6,000 members and guests attended the convention this year.

The team of Austin Buss, Erika Eckhardt, Elly Lempka, and Micah Erickson placed 6th out of the 111 teams!

Looking for a fun after school activity for your child? Consider signing up for a 4-H Afterschool Workshop hosted by the University of Nebraska Extension.

- Rockets to the Rescue: Youth will be tasked with one mission: to design and build an aerodynamic food transportation device that can deliver a payload of nutritious food to disaster victims.

The workshop runs from after school to **5:30PM** on **May 14**. It is open to students, grades 3-6 and only costs \$10.

For more information visit the school website: www.sterlingjets.org. Contact the Johnson County Extension Office with any questions at (402)335-3669.

From the Principal's Desk *by Ryun Theobald*

As we look to close out the 2014-15 school year, I feel that our staff and students have had a great year. We have many successes and accomplishments to be proud of and I look for that to continue into the 2015-16 school year. We have great students, a dedicated staff and a supportive community. We continue to look at providing the best possible education and learning environment for our students, and I believe we are improving each year. As is the norm, there will most likely be changes and improvements over the summer, all of which will be made in the best interest of our students. We will do our best to update everyone on those changes in the August 2015 "Back to School" newsletter. Until then, here are a few final reminders that I would like to share with you.

Awards Night. The annual Awards Night will be held on Monday, May 4th, beginning at 7:00PM in the gym. This is a time for teachers, coaches and sponsors to recognize their students for their outstanding achievements from this past year. This night also doubles as the induction ceremony for those students who will be welcomed into the National Honor Society. The program will conclude with the coronation ceremony for the Awards Night King and Queen, as well as a dessert bar. As this is a semi-formal event, I would ask that parents please encourage your student(s) to dress appropriately. We as a staff would prefer not to see shorts, t-shirts and flip flops.

Graduation. Graduation will take place on Saturday May 9, 2015. The ceremony will begin at 4:00PM in the gymnasium. This class, like most who have graduated before them, are eager to take that next step in their careers. If your schedule will allow it, we would welcome you to attend the ceremony and help recognize these fine students. Good Luck and Best Wishes to the Sterling Senior Class of 2015!

End of the Year. Semester testing for students in grades 7-11 will take place on May 19th and 20th. The last day of school will be May 21st, with a noon dismissal. This will be for all students in grades 1 through 11. We will not be serving breakfast or lunch on this day. The kindergarten class will be having a graduation ceremony on May 20th beginning at 2PM in the gym. This will be the last day for kindergarten students.

In closing, I would like to thank everyone for a great year and I look forward to the challenges and endeavors that the 2015-16 school year has in store! Finally, if you have any concerns or comments, please do not hesitate to give me a call.

GO JETS!!!

PRE-K GRADUATION

When: Thursday, May 7th
@ 6:30PM

Where: in the gym

PRE-K PICNIC

When: Wednesday, May 20th
from 4:30-5:30PM

Where: Sterling Park

Next Year Schedule

We will have a regular M-F schedule (8AM-3:37PM) with the first Wed a month out at 1:37PM (Sept-April) for school improvement.

STERLING GIRLS STATE REPRESENTATIVE

Marah Hestermann of Sterling will be representing the Sterling Women's Auxiliary and will join other high school juniors from across Nebraska participating in the American Legion Cornhusker Girl's State, May 31st through June 6th, 2015, at the University of Nebraska-Lincoln Sandoz Residence Hall.

Marah is a junior at Sterling Public Schools. She is involved in band, vocal music, SkillsUSA, volleyball, basketball, track, and National Honor Society. She has been a consistent Honor Roll student through her junior high and high school years. She is a member of St. John's Lutheran Church of Sterling and is the daughter of Mike and Gloria Hestermann.

The American Legion Auxiliary developed a citizenship training program based on the formation of the American Legion's Boys State program. This program offers training in the positive processes of self-government and good citizenship as practiced in democratic societies.

Girls State began as one and two day sessions in the late 1930's. In 1939, Girls State was altered to make it a week-long government education program. Since 1948, it has been a regular part of the Auxiliary's Americanism curriculum.

The program is funded by the American Legion Auxiliary with some additional support coming from other civic and non-profit organizations. Little or no expense is required of the delegates and her family.

Each summer approximately 25,000 young women participate in Girls State sessions across the nation. At Girls State, the delegates study local, county, and state government. The girls do this by setting up their own miniature city, county, and state governments and administer them according to the rules and procedures set by Nebraska's laws.

After arriving at Cornhusker Girls State, the citizens are divided into 12 towns named after the Presidents of the United States. The citizens are also divided into two political parties -- the Federalists and the Nationalists. These parties do not reflect the two major political parties in today's system of government. The parties allow citizens to gain knowledge of how a two-party system operates.

Girls State citizens participate in these mock political parties and elections are held to fill city, county, and state positions. Other activities include legislative sessions, campaigning, party rallies, mock trials, and debating. The citizens also receive instruction in Parliamentary Procedure.

All medication needs to be picked up by a parent by June 5th. All medication left after this date will be disposed of regardless of the expiration date.

NLS REPRESENTATIVES

Congratulations to Austin Buss and Sydney Goracke who have been chosen as Sterling's representatives to attend Nebraska Leadership Seminar (NLS), which will be held at Midland University in Fremont, Nebraska from June 18th through the 21st.

NLS was founded in 1978 and incorporated as a non-profit 501(c)(3) organization in 1983. From its inception the goal of NLS has been to provide future Nebraska leaders with an opportunity to identify and develop their leadership skills by participating in a four-day residential conference environment.

NLS is intended for Nebraska high school students between their sophomore and junior year. All Nebraska high schools have the opportunity to nominate two students, referred to as delegates, to participate in this unique experience. Students receiving this honor are exposed to interactive team building activities, keynote speakers from around the country, current events discussions, and a community service project aiding them in the discovery, development, and application of their leadership skills. Delegates are encouraged and supported as they voice their personal perspectives while learning to appreciate and respect opinions that differ from their own. Peer interaction is built into the program to promote bonds and friendships with other student leaders from across the state. Further adding to the experience, in 2001 NLS partnered with the Gallup Organization offering the delegates the opportunity to participate in the Clifton's StrengthsFinder Assessment.

NLS, from the Corporate Board, Planning Committee, Alumni Association, and Seminar staff, is composed entirely of Nebraska volunteers. The dedication and passion demonstrated by these individuals to provide future Nebraska leaders with this experience has made a difference in the lives of over 6,000 students from over 300 school districts across the state. NLS is a program that is recognized by higher education institutions and has been instrumental in securing scholarships for a number of students who have been privileged to attend.

Skills State Leadership Conference

National Qualifiers - 1st Place Winners

Alisha Fisher

- Job Skill Demo

Paxton Donovan, Rhet Dirks, & Ben Logston

- Career Pathways Manufacturing

Erika Goracke, Hannah Jasa, & Thomas Tucker

- Career Pathways Natural Resource

2nd Place Winners:

Kari Hansen, Meri Hietbrink, & Ben Logston

3rd Place Winners:

Mike Crisante - Restaurant Service

Brielle Salberg - Action Skill

SHS took 2nd place during SkillsUSA Week in February!

SHS has the 3rd largest membership in the state of Nebraska.

Sterling has 63 members. Twenty of those members received the academic achievement award for having a GPA of 3.5 or higher!

Capitol Forum

Four Sterling students attended the 2015 Capitol Forum on America's Future at the State Capitol on March 23rd. These students were Megan Barber, Tanner Shea, Hannah Jasa, and Erika Goracke. The students were in deliberation with Juniors and Seniors from 24 other schools throughout Nebraska to decide the direction our nation should take in the upcoming year. The main topics of concern were immigration, the environment, nuclear proliferation, terrorism, and trade. The final decision of the students at the end of the day was that the USA should protect its homeland and try to increase trade while embracing cooperation in the world political scene.

At the end of the Forum, a video conference was held whereby our students could ask questions to the Congressmen and Congresswomen of Nebraska. This was an opportunity for the Capitol Forum participants to hear firsthand what the beliefs and policies of our elected officials really are. The day was culminated by a tour of the Governor's mansion.

JOHNSON COUNTY CAN FUN WALK

**WHERE: JCC HIGH
SCHOOL TRACK**

WHEN: MAY 31, 2015

**Johnson County
CAN**

The Johnson County Community Action Network (CAN) would like to invite the public to their annual Drug Free Fun Walk!

This *free* event is a great way to promote a healthy and drug-free lifestyle. Some of the activities available will be a bouncy house, horseshoes, rope throwing, and shooting baskets. Plus plenty of walking!

The Johnson County Sheriff's department will be sponsoring activities as well. For every lap you walk on the track you can earn prizes! And of course there will be water bottles and snacks to keep you energized.

Everyone is welcome, so round up the whole family and come out for some fresh air and exercise! Did we mention that it's *free*!

Donations can be sent to JCC High School in care of Joan Peters. Thank You!

Parents of the 7th and 8th Grade History Classes

Your son/daughter will be going on a field trip on Wednesday, May 13. This educational experience will give your student a fantastic opportunity to see the Oregon Trail, Pony Express Station and also the first homestead at the Homestead National Monument. We will depart Sterling at 8AM and return by 3:30PM.

Prior to the field trip day, I am asking each student to bring \$2 for admission to the museum at Rock Creek Station. That is the only admission needed. The students will also need to pack a lunch, similar to what they might bring to a track meet. I will provide the drinks so they will just need to bring food.

We are also going to have a **BOX DESSERT AUCTION!** Each girl will need to prepare a dessert (just for two), put it into a box and decorate the box for auction. The boys will need to bring \$1.25 which will be the needed funds to purchase the **BOX DESSERT**. I am sure the bidding will be spirited and this event will be educational as well as entertaining.

If you have any questions about our upcoming excursion, please contact me at school or at home. I look forward to a very rewarding day discovering the history of our ancestors!

Yours in History,

Arlo Wusk
