- **REMINDER:** Make up days – we will have classes on the following day, April 5. The last day of school will be Friday, May 21.
- The Jet Stop has asked that students that are parking in the new Semi parking area please park on the south side of the area. There is concern that with all the Semis going through there, and the way people have been parking, that there could be an accident. So they appreciate your attention to where you are parking. Only use the south side of the area. Thank you.
