

STERLING PUBLIC SCHOOLS

AUGUST 2022 NEWSLETTER

From the Principal's Desk by Mr. Davenport

Welcome back to Sterling Public Schools! I am excited to start the new school year to learn and grow with our students. I am excited to see all of our returning students and meet our new students. Among some of the new faces in the school, we have several new staff members joining the team this year.

Nate Bianchi will be our incoming high school Special Education teacher. Ann Buckner will be our incoming 6th grade teacher and will take on both English Language Arts and Social Studies for the 5th and 6th grade classes. Susan Goracke is joining us as our Kitchen Manager. Mason Pelchat will serve as our new Physical Education Teacher. Allison Chaplin will join us as a Paraprofessional in our preschool. Shelly Huetson is joining us as a Paraprofessional in the high school. We also have a couple of returning staff members that are transitioning to different assignments. Luke Boldt was formerly our 6th grade teacher but will move into the high school Social Studies position and Emily Retchless was formerly a Paraprofessional in our preschool and elementary and will transition to teach 2nd grade. If you see these new staff members around, please welcome them to community.

In preparation for the new school year, I attended multiple summer trainings with administrators from across the state. In our conversations, we shared experiences about the previous school year and discussed student achievements. In all conversations, I experienced a deepened sense of pride for our school and our community. We are blessed to have students who excel in all areas including character, academics, athletics, and more. I hope everyone is as excited as I am about the new school year and appreciate all of the community support along the way! Lets have a great year.

Go Jets!

CLOTHING DONATIONS

As we gear up for the school year, back-to-school shopping is in full swing. In many cases, this also includes replacing outgrown clothing in an out-with-the-old, in-with-the-new process. If anyone has outgrown clothing or simply has a surplus they need to get rid of, please consider donating to the school. We collect clothing items throughout the school year to assist our students with their needs as they arise.

Our primary purpose in collecting these items is to help our students in need, regardless of what their needs are. Some of our younger students periodically have accidents or end up dirty at recess. We like having the ability to get them in clean, dry clothes as quickly as possible without interrupting their learning or parents' workdays. We are also sometimes able to help students and families with financial needs meet their needs. We try to help in any way we can, but our supply is getting low.

If anyone has any clothing that you are willing to donate, we would love to take them off your hands. Our biggest needs include smaller pants and shorts, shoes of any size in good condition, and coats or jackets. All donations are greatly appreciated and can be dropped off at the school office anytime we are open.

If we end a school year with any kind of surplus of clothing, we sort out what we anticipate needing and donate the rest to GoodWill or The People's City Mission in Lincoln, NE. Thank you all for helping to support our kids.

USDA LUNCH PROGRAM DISCONTINUED

As we return to a sense of normalcy following the COVID-19 pandemic, public policies are also returning systems to what we were familiar with prior to the 2020 school year. One of the more notable changes, or returns to normalcy, is the nonrenewal of the USDA school meals program. This means that, unlike in previous school years, the federal government will no longer pay for your student's school breakfasts and lunches. This change once again places the responsibility of paying for the students' breakfasts and lunches back on the parents or guardians. Families believing

they may be eligible for free or reduced-price lunches may still fill out their application either online or at the school office. Depositing money into your student's lunch fund may also be done in person at the office or online.

According to policy, seconds still cost extra. Once your child's lunch account is at -\$10, your child will not be able to receive seconds until the bill is paid.

2022-2023 HIGH SCHOOL HANDBOOK UPDATES

The following is a quick reference to the changes to the High School Handbook that have been approved by the Sterling Board of Education and added for the upcoming school year. Each revision or addition is listed to include the heading found in the student handbook.

Forfeiture of Credit -

A student who, for any reason, is absent ten (10) times from a semester course will forfeit credit for the course unless there are chronic health conditions or special arrangements involved. A physician's statement will determine the validity of each absence for illness over the maximum allowed.

Students will receive a letter home following five (5) days absent and a mandatory attendance committee meeting must take place with the parents or guardians after seven (7) days missed. Accumulating ten (10) unexcused absences in a semester will result in a loss of credit without the ability to appeal and the county attorney will be sent attendance records for truancy.

Overview of changes/ Reasoning: The revision changes the maximum number allowed from 8 days to 10 days to match state legislation. It also more clearly outlines the procedures that must be followed for tracking unexcused absences.

Tardiness -

A student who does not have a valid excuse for being tardy to any class may be required to serve detention. A student who arrives at school after 20 minutes will be considered absent for that period.

Tardies to class (periods 2-8) will only be excused by the student's preceding teachers if the student has been detained. If a student or students are going to be late to his/her next class, a pass should be obtained before leaving the classroom. Students who do not have their tardy time made up will not be allowed to leave the building during the day for school activities. Teachers are responsible for communicating tardy time information to the Principal.

Accumulating 3 tardies in any class, including the advisory period, results in an automatic 15-minute after-school detention, with the teacher of the class they were tardy for, in the following 48 hours at the discretion of the teacher. An additional 15-minute detention will be given for every tardy following the first three within the same timeline for it to be served. Students who do not have their tardy time made up will not be allowed to leave the building during the day for school activities. All detentions follow the same guidelines.

Overview of Changes/ Reasoning: The revision extends the previous tardy policy to all periods rather than just period one. It also protects students from accumulating tardy time by mandating when the tardy time must be served.

Dress Code -

Midriff-baring clothing, see-through and low-cut blouses, halters, tank tops or thin-strapped tops (spaghetti straps)

Overview of Changes/ Reasoning: This revision clarifies the previous policy from "belly button styles" to include any midriff-baring clothing.

Academic Progress/Eligibility -

All students must pass a minimum of 20 credit hours the previous semester of attendance according to State standards. Students in grades 7-12 failing two or more classes after the third week of the semester will not be eligible to participate in any activities involving other schools until their grades in every class except one are at a passing level. The ineligible week is from the Monday following the distribution of the academic status report through the following Friday. The student will be expected to improve the grade before the report is run.

The counselor will compile a weekly academic status list to determine student activity eligibility (see activity handbook). Junior High students not out for the activity are to remain in class and not attend the activity (home or away) without a sponsor and administrative approval. It is the student's responsibility to take the initiative to the extra help and to raise his/her grade to a passing level.

Beginning with the first semester after the 3rd week, parents will be notified of students doing work which the teacher feels is below their capabilities. Students in grades 7-12 failing two or more classes after the third week of the first quarter will not be eligible to participate in any activities involving other schools until their grades in every class except one are at a passing level, this includes participation in all school activities outside of the classroom and/ or school day unless required for a classroom grade.

Overview of Changes/ Reasoning: Only the last line is new. This extends the academic eligibility policy to all school activities rather than just extracurriculars to ensure academic remains our focus.

ATTENDANCE POLICY INFORMATION

Students achieve more in school when they are IN school. New content is introduced daily in as many as 8 different subject areas. Even missing an hour of instruction places a student at a disadvantage. To ensure our students' attendance remains a priority, it is a great time to remind everyone about the guidelines and expectations.

According to legislation, students cannot miss more than 20 school days in a school year before the truancy information is submitted to the county attorney. To break that down further, school policy states that if a student has 10 or more unexcused absences in any class they will forfeit receiving semester credit in that class. Receiving semester credit in a course is contingent on both a passing grade and acceptable attendance.

I will use an example. Student A does not like waking up early and decides to show up at 9:00AM for 2nd-period class for two weeks. In this scenario, Student A will not receive semester credit for their 1st-period class, regardless of their current grade. If Student A decided not to attend any classes for two weeks, they would not receive credit for any of their classes that semester and would likely have to repeat much of the school year.

There are exceptions to this. Excused absences do not count against a student receiving credit. Examples of excused absences are found in the student handbook and include documented illness, court, death of a family member, or suspension. Please communicate all planned absences by calling the office and have your student discuss homework and instruction with all teachers prior to ensure as little disruption in their learning as possible.

For any questions or concerns about the attendance policies, please do not hesitate to contact the school at 402-866-4761.
