NOTES FROM THE PRINCIPAL by Mr. Theobald

Attendance. I feel as if I always mention attendance at this time of the year, but with the fact that our students have the opportunity to participate in a wide variety of activities, it can be a challenge for our kids to keep up academically when they miss school. Finding a balance can be tough, and I know that it can be stressful, but based on how our teachers are willing to work with students, it all becomes manageable in the end. All in all our attendance has been really good this year for absences not related to school, so my hope is that we can finish the year strong.

Spring Testing. We are well into the spring testing season. I mentioned this last year, but I think it is important to mention again about how important it is for students to be well rested prior to taking these assessments, as well as having a nutritious breakfast. Our teachers have been working hard to prepare our students for the opportunity to showcase what they have learned. I know our teachers have been communicating with students about when these assessments will take place, so I encourage you to ask your children about this, especially if they have not already mentioned this to you. I am guessing that many of them already have as our kids are generally motivated to do well, which can be attributed to how they have been raised, as well as how our teachers encourage all students at SHS to do their very best.

End of Year Activities. As we near the end of the year, we have several concerts and programs scheduled. Please be sure to check the website for any changes, and I encourage you to come out and support our students and sponsors as we have a lot of really talent filled programs here at SHS!

External Team Visit. Last month I mentioned we would be participating in our 5-year visit as part of the school improvement cycle. I was hoping to have a document to share with you, but that has not been completed in time to include in this month's article. It will be included in the May newsletter.

As always, if you have any concerns or comments, please do not hesitate to give me a call.

STERLING STUDENTS ATTEND CAPITOL FORUM

On March 27, five high school students from Sterling Public Schools attended Capitol Forum on America's Future in Lincoln at our State Capitol. Twenty schools from throughout Nebraska were in attendance to deliberate and decide what they feel should be America's Foreign Policy for 2017. The students met in 3 sessions discussing issues ranging from Nuclear Proliferation to Immigration to determine what avenue of involvement our nation should take in the coming year. After 4 options were presented, it was decided that the USA should form a coalition with the nations of the world and be more collaborative in 2017. Following this day long process a question and answer session was held with our Senator Deb Fisher, Congressman Adrian Smith, Congressman Don Bacon and Congressman Jeff Fortenberry. The day ended with a tour of the Governor's mansion.
